C.G.I.T. GROUPS ENTERTAIN MOTHERS AT UNITED CHURCH

Members of the C.G.I.T. groups in Didsbury entertained their mothers last Wednesday evening at a social evening held in Knox United Church and an enjoyable program was presented, consisting of the following numbers:

Sing Song, led by Pauline Bowman and June Parsons; Story, by Miss E. Williams; Piano Solo, by Pauline Bowman; Solo, by Norma Parsons, accompanied at the piano by her mother, Mrs. Geo. Parsons; Reading, by Miss Proden; Recitation, by Winona Rouleau; Solo, by Betty Bowman.

After the program all retired to the church basement where each mother was presented with a Sweet Pea corsage. A plant and flower contest was won by Mrs. C. Mortimer and Betty, and Mrs. G. Thring and Geraldine Ford.

A contest, "Kinds of Cloth," between the mothers and their daughters, was won by the mothers.

After a round of charades, lunch was served by the girls and the evening's program was brought to a close with "Taps."

FORTY YEARS AGO

May 24, 1907

Estimates for Didsbury schools of \$6500 was presented by the Board to the Town Council.

Wages for common labor were set at 22¢ cents per hour, and 25¢ cents per hour for team of horses.

J.E. MacLeod, solicitor of Sydney, N.S., is in town and has hung out his shingle.

The Local Improvement District has set rates of wages at \$2.00 for a ten-hour day.

Mr. G.P. Lissemer of Didsbury has purchased "McClure," a pure-bred stallion, from John Clark Jr. of Gleichen for the sum of \$2,000.

It is expected that the Linden cheese factory will be in operation by June 1st.

B.H. Phinney of Fergus Falls, Minn., has bought the general store from W.E. Mowers and has taken over the business.

Mrs. M. Weber, who suffered a paralytic stroke on May 9th, is doing as well as can be expected. She is being cared for at her home by Mrs. Plant, R.N., and is being assisted by her daughter, Mrs. Jack Fleury, who arrived from Grande Prairie last week end. Jack Fleury also came down from Grande Prairie, but owing to urgent work on his farm has returned to the north country.

Special Concessions Given To Farmer For Income Tax Purposes

Trade Minister MacKinnon announced recently in the Commons western wheat producers will be allowed to make deliveries between May 15 and June 30 and take cash settlement at their option in 1947, 1948 or 1949.

This is similar to a special income tax arrangement made last year on wheat marketed between April 1, 1946, and June 30, 1946. Last year's concession was made because of the urgent need for wheat for overseas shipment.

Mr. MacKinnon said the government and the Canadian Wheat Board had received many requests

NOTICE TO SUBSCRIBERS

Newsprint, which is still supplied on a quota basis, is very scarce and according to our paper "traveller" the mills cannot now guarantee shipment of sufficient newspaper to meet present quotas. For this reason it may be necessary for "The Didsbury Pioneer" to discontinue sending the paper to all subscribers in arrears. In other words, if the label on your paper does not show June 1947, or later, you can expect a cut-off without further warning.

Check the label on your paper NOW. If in arrears kindly pay your subscription dues immediately.

LADIES' SOFTBALL TEAM LOSES TWO LEAGUE GAMES

The Didsbury ladies softball team journeyed to Olds May 13 to play the league opener before a group of enthusiastic supporters, but came home the short end of the stick. The Olds ladies showed their superiority in fielding and hitting ability and were worthy winners. For the locals Gladys Luft made three sensational catches in left field, and Gwen Morgan pitched her usual steady game. Greta Folkman showed old time form at shortstop until an injury forced her from the game.

The second game of the week was played at Didsbury Thursday evening when the Bowden aggregation pinned a second defeat on Didsbury. Considerably older and more experienced, the Bowden club were more than a match for the home town club. The visitors piled up a commanding lead in the first inning but from then on Didsbury settled down and played steady, and at times sensationally. Jean Krebs was spectacular at shortstop, making many fast and accurate plays. Gwen Morgan, pitching for Didsbury, gave the crowd much to cheer about with her all round infield work.

The Didsbury ladies have determination, and hope to do better in future games. The next home game is scheduled for May 27 when Innisfail will be the visitors. Come and cheer the girls along.

JEAN ARMSTRONG TO ATTEND FARM YOUNG PEOPLE'S WEEK

A total of 131 nominations were received from the 35 even-numbered Wheat Pool sub-districts for young farm people to attend the Farm Young People's Week at the University of Alberta, June 5 to 12. Selection of the 35 was made in a draw by K.J. Morrison of the firm of Harvey and Morrison, chartered accountants. Jean Armstrong of Hamman was chosen from sub-district C-10 to attend the session.

for a similar plan for a limited period this year and the government had decided to put substantially the same arrangement into effect for the May 15 - June 30 period. Full details will be made public by the wheat board "at an early date."

"The Dominion government feels," said Mr. MacKinnon, "that an arrangement of this kind is worthwhile if it will make more wheat available for overseas shipment during the balance of the present crop year."

Under the 1946 arrangement a considerable quantity of wheat was made available by producers a year ago and was promptly shipped to needy countries.

The plan provides an arrangement whereby producers could deliver their wheat during a limited period with the actual cash settlement taken at the producers' option in 1946, 1947 or 1948. Producers taking advantage of the plan received what was known as an emergency wheat receipt.

The plan was entirely optional and producers delivering wheat during the period of time provided could take advantage of the special arrangement or deliver their wheat in the usual manner.

LUTHERAN CONFIRMANDS TO HOLD REUNION SERVICE

A reunion service of all the confirmands of the Lutheran Church in Didsbury parish will be held on Sunday, May 25, at 8 p.m., in the Lutheran Church at Didsbury. Special invitations have been sent out to all those confirmed in the past 15 years. Since 1932 a total of 88 young people and adults were received in communicant membership through confirmation. It is hoped that the greater majority of these will find it possible to attend this special service of reconciliation to Christ and His Church. Those who have moved from the district have been asked to write letters to the Pastor informing the members of their confirmation class where they are now living and what church they are attending. These letters will be read after the service. This reunion service is held in connection with the Walther League and its purpose is to regain and reconsecrate the youth of the Lutheran Church. The Walther League also cordially invites its many friends in and around Didsbury to attend this special reunion service.

Didsbury May Enter Float In The Stampede Parade

H. Lynch-Staunton, W. McFarquhar and R.D. Kimmel represented the Town of Didsbury at a meeting held in the Renfrew Club, Calgary last Wednesday to discuss arrangements for new features in the Calgary Stampede Parade.

Representatives were present from about 20 outside points and the general feeling was that each of the communities will have a float in the parade, the outstanding enterprise of the community being dramatized on this float.

An effort will also be made to obtain examples of all the means of conveyances used in the "Old West," and to fix them up sufficiently to run in this parade.

According to a press report the Stampede Association may subsidize the floats to a small extent, in addition to giving prizes to the best entries.

The Didsbury representatives were in favor of entering a float in the Calgary Stampede Parade this year, but nothing definite could be decided until a public meeting has been called to thoroughly discuss the question.

PAYNE-FREEMAN CO. ENLARGING PREMISES

Contractors are busy on the new addition to the Payne-Freeman Co. garage, and the work is now well under way.

The size of the present structure is 38x50 feet, and with the proposed 24x60 addition to the shop and the 10x60 addition to the office part on the west side the new structure will have overall dimensions of 60x60 feet.

With the new additions Payne-Freeman Co., Dodge & DeSoto dealers in Didsbury, will have sufficient room for shop and storage, together with increased space for parts storage and office space.

O.E. BOTTER RELIEVING AT LOCAL C.P.R. DEPOT

Due to health reasons Earl Brinton, popular C.P.R. agent at Didsbury, has taken a three-months leave of absence and commenced his "rest" last Tuesday, when he and Mrs. Brinton left for Cayley where they visited for a few days with their daughter.

Wednesday morning Jim Kirby, Clint Reiber and Mr. and Mrs. Brinton left on a motor trip to Salem, Oregon, where the latter couple will spend the summer. Jim and Clint expect to return to Didsbury in a couple of weeks' time.

Mr. O.E. Botter is relieving at the local C.P.R. depot and commenced his duties there on May 12th.

Bryan Johnson left Tuesday with his truck for Nanton, where he will haul gravel.

LOCAL GOLF COURSE IN EXCELLENT SHAPE

The Didsbury Golf Course is now in excellent condition and judging by the number of players making the rounds the club will experience a large increase in membership this year. Bob Eubank mowed the grass on all nine holes last Wednesday and Friday evening club members held a working bee and trimmed the grass around the greens with a hand mower, and cut out all grass roots on the greens.

A mixture of sand and oil was "burned" at the Eubank farm the same evening and on Saturday afternoon a few of the members spread it on the greens and smoothed it out and all greens now have a good putting surface.

Didsbury has one of the finest nine-hole golf courses of any town in Alberta. The grass fairways are mowed regularly and the greens are now in good condition, so that players can now thoroughly enjoy a round of golf.

Players are asked to either join the golf club by paying their fees to the secretary, Geo. Law, or to refrain from playing, as the course is private and kept up only for members.

SAT. MAY 24—A HOLIDAY

Saturday, May 24th, is Victoria Day and a Dominion holiday. All business places in Didsbury will remain closed.

Housewives are advised to stock up for this week and holiday—and don't forget to do your buying in Didsbury and patronize local advertisers.

LOCAL NEWS ITEMS

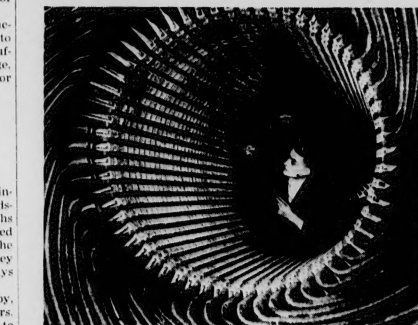

Mr. Norman Hogg was moved by ambulance from the Didsbury hospital to the Colonel Belcher hospital Thursday of last week. Norman is suffering from double pneumonia and mumps but is progressing favorably.

Don't forget the I.O.D.E. Tag Day in Didsbury on Saturday, May 31st.

The Lone Pine Women's Institute has donated \$10 to the Cancer fund.

Marconi 6-tube Cabinet Radio, in good condition. \$85 at Clayton's Electric.

The Mountain View Gospelaires and Mountain View Messengers will present a Young People's Gospel program of instrumental ensemble, singing and preaching at East Community Hall on Friday, May 23 at 8 p.m. Everybody come, and bring a friend.

BRITISH ELECTRICAL GENERATING EQUIPMENT

The highest priority is being given for the manufacture of electrical generating equipment in Britain. During 1947-48 outturn generating plants which on account of the war have not been replaced will be taken out of commission to make way for new plants. In one of Britain's

TWO ACCIDENTS ON DIDSBURY STREETS

Two accidents occurred on the streets of Didsbury last Thursday, entailing considerable damage in both cases.

In the afternoon, Allan Konshuh, while backing his truck out from the curb in front of The Marvian, crashed into the H.W. Folkman passenger car, doing extensive damage to the rear door and back part of the car.

Thursday evening the brakes on a model A Ford, driven by Dorn Gillrie, failed to take hold and the light truck ran out onto the sidewalk and crashed into the corner of Kirby's Meat Market, breaking the plate glass windows in the front and west side of the doorway.

GOLF TOURNAMENT BEING PLAYED THIS AFTERNOON

Although all golfers have not turned in their cards for the qualifying round, the committee has assigned handicaps to the players to the best of their ability, as the first tournament of the year is to start on Wednesday, May 21. It is to be a Medal Round and all players are asked to be at the course at one o'clock on Wednesday. Handicaps will be posted at the clubhouse and the starter will arrange foursomes for the hole-by-hole tournament.

Those who are unable to play their tournament game on Wednesday will have the option of completing their round on either Saturday or Sunday.

NEW INDUSTRY FOR DIDSBURY

Fred Platz has advised the "Didsbury Pioneer" this week that Didsbury's new, modern poultry processing plant and egg grading station is under construction and should be in operation by June 15th.

Fred is not only going into the processing business, but he is also a large scale poultry producer, having 5,000 young chicks and over 200 turkeys, all getting to be good sized birds for this year of year.

BROOKLYN MAN WANTS INFORMATION ON DIDSBURY

Fred Evans recently received a communication from Byron Steel of 440 Lenox Road, Brooklyn, New York, requesting information on Didsbury.

Mr. Steel is the author of several travel books, and is now preparing a travel book on Canada. He wants copies of any publicity material that may be available on the Town of Didsbury, as well as the names and addresses of stores for shopping and hotels and restaurants.

Anyone interested in publicizing Didsbury or their own business is asked to send this information direct to Mr. Steel.

About noon Tuesday a rock tipped up from the wheel of a local truck and went through the corner of one of the front plate glass windows in the J.V. Berscht & Sons store. The window will have to be replaced.

J. HARPER PROWSE TO SPEAK MAY 29 IN THE LIONS HALL

Final plans are now being made by the Didsbury Branch of the Canadian Legion, B.E.S.L. and the Didsbury Lions Club for the joint supper and meeting to be held in the Lions Hall on Thursday, May 29th, at which J. Harper Prowse, M.L.A. will be the guest speaker.

Supper will be served, commencing at 6:45 p.m. and tickets can be secured from C.E. Reiber, Geo. Law, Payne-Freeman Co., Atlas Lumber Co., Howard Halliday or H. Morgan.

Tickets are available to Legion and Lions Club members, and other returned men of the district who are not members of the Legion.

Those desiring to attend are asked to get their tickets not later than Saturday, May 24th, so that the caterer of the supper will be able to prepare for the number estimated to attend.

LOCAL NEWS NOTES FROM HERE & THERE

The Junior W.A. of Knox United Church will meet at the home of Mrs. Harold Wood on Monday, May 26th, at 8 p.m.

Shingles just in. Fair stock of lower grade, even though No. 1's are short. Tanks and any other wooden equipment can be made in our modern shop—Cassidy's.

The "bolts" on the local streets are gradually drying out and loads of gravel have been put in some of the holes.

Guy Severns left Monday for Calgary and will travel north by plane to Fort St. John where he will cook for an exploration company.

Airplane Propellers for sale as war souvenirs, \$3.95. At Builders' Hardware.

Last week Mr. and Mrs. J. H. Robertson motored to Edmonton to attend the graduation of their daughter, Mary, who received her B.A. degree with first class general standing. In addition she was awarded the Gordon Stanley Fife Memorial prize in History, and a Mary Adams Fellowship in English to the University of Wisconsin.

Mr. and Mrs. E.A. Deadrick and Dalton left Tuesday for Los Angeles, Calif. They were accompanied as far as Vancouver by Wava Deadrick and Gladys Beckett. Mr. and Mrs. Deadrick will be joined at the coast by Miss Amy Wilson and Miss Kyle, who will continue the remainder of the trip with them.

Mr. and Mrs. John Bruce and daughter Virginia attended the McKenzie Noble wedding in Calgary on Saturday. Mrs. McKenzie (nee Joyce Noble) was a former resident of Olds and Didsbury.

Mr. and Mrs. J. W. Wordie attended the graduation exercises of the Alberta University at Edmonton last Tuesday and Wednesday, when their son, John Douglas Wordie, received his B.Sc. degree as well as one of the special prizes for first class general proficiency.

High winds Monday and cool weather made spring work on the land a tedious job for farmers who are working steadily in an endeavor to get their seeding completed. Most of the spring wheat has been seeded and many fields are now showing green. There is still a considerable acreage to be sown to oats and barley, and a number of farmers who have been able to procure seed have put in some flax.

STREET AND AVENUE NUMBERS

A couple of weeks ago an editorial in "The Pioneer" brought to the attention of the farmers the necessity of painting names on their mail boxes, with the result that farmers themselves have expressed much favorable comment, and we hope that they are now carrying out the suggestion.

The editorial also brought the suggestion from one of our faithful country subscribers that the town homes also should be numbered, or designated in some way so that farmers could locate the homes of their friends and acquaintances. This particular farmer has lived in the Didsbury district 20 years but changes in the town have been so numerous that he can't keep up with them.

The suggestion is a good one, and the only proper way would be with numbers. Whether or not numbers would be of much use with the varied names of Didsbury's streets would be questionable, and if a system of house numbers were adopted it would probably be necessary for a change being made from street names to street and avenue numbers, similar to the system used in Calgary.

However the suggestion of our farmer friends is a good and reasonable idea and might well be adopted in Didsbury—one of the fastest growing towns in Alberta.

A NEW ECONOMY - WHY NOT?

Since everybody longs for a new world why not work deliberately for an economy where we frankly recognize there's not enough for everybody's greed but enough and to spare for everybody's need? Where God provides from a great store of plenty so that men and nations who obey Him need never improvise from scarcity? Where resulting freedom from demand in men and nations makes the wealth and work of the world available to all, exploiting none?

Why not realize that an economy is possible where everybody cares enough, and everybody shares enough, so everybody has enough? Where government no longer needs to control supply because individuals themselves are disciplined enough to control demand? Where people come before profits, national interests ahead of private interests? Where business becomes a matter of give and receive, rather than buy and sell, or trade and barter?

Where work becomes a joyful service rather than a fearful way of avoiding hunger or a selfish way of satisfying greed? Where teamwork becomes the most important product of industry? Where the way is thus opened for peak production and a higher peak than ever was or will be possible under the merely hired labour of commercialism, the directed labour of socialism, or the slave labour of totalitarianism?

Where the boss voluntarily does more for his workers than the most radical government would ask? And the worker does more than the strictest task master expects?

Where this idea of teamwork, exported abroad sets a pace for teamwork between nations, opening the way for the exchange of goods, services and money? Where nations, thus enjoying the respect and friendship of their neighbours, find—for the first time in history—that they are really economically secure?

WESTERDALE NEWS NOTES

The Westerdale Willing Workers held their May meeting at the home of Mrs. J.P. Schrader last Wednesday afternoon with eleven members and four visitors present. Roll call was answered with "Why we plant a certain flower or vegetable." Mrs. W. Herbert reported that cement, lumber and shingles have been purchased for the new hall kitchen. Four members were elected as a program committee for arranging booklets for next year. They are Mrs. F. Herbert, Mrs. S. Jackson, Mrs. J. Cowie and Mrs. W. Herbert. It was decided to hold a picnic on July 2nd, providing the baseball schedules are correct and a league game is being played here on the above date. Following the meeting Miss Jean Locke of Edmonton gave a "Weaver" brush demonstration.

The next meeting will be held at the home of Mrs. L. Jones on Wednesday, June 11. The Westerdale school children attended the music festival at Olds last Friday and received some very good points.

The Westerdale Young People's Club will hold a dance in the Westerdale Hall on Friday, May 30th. Dunwoody's orchestra will supply the music.

NOTES FROM THE EAST

The Lone Pine W.I. met last Wednesday at the home of Mrs. W. McCulloch with the largest attendance since the new year and the members answered roll call wearing a flower for Mother's Day. Last minute preparations were made and resolutions discussed before the convention to be held in Calgary next week. Plans were made for the regular dance to be held on May 23rd. Mrs. E. Richardson won the ten-cent draw and Mrs. Pete Schumaker conducted a small auction sale. The meeting closed in the usual manner and lunch was served by Norma and Mrs. McCulloch.

The next W.I. meeting will be held at the home of Mrs. F. Ahlgrim.

Mrs. R. Eckel attended the W.I. meeting and spent a couple of days with Mrs. D.B. Wood.

Mr. and Mrs. D. L. Fobes and Leonard Stump spent Sunday evening visiting in the district.

Note—The Lone Pine W.I. will sponsor a dance in the Lone Pine hall on Friday, May 23. Halliday's orchestra will supply the music. An invitation is extended to everyone to attend.

Want Ads—The little fellows with the big pulling power.

NOTICE OF PREPARATION OF ASSESSMENT ROLL

TOWN OF DIDSBURY

Notice is hereby given that the assessment roll of the Town of Didsbury, made under the provisions of the Assessment Act, has been prepared and will for thirty days be open to inspection at the office of the Secretary-Treasurer of the Town of Didsbury from ten o'clock in the forenoon until four o'clock in the afternoon on every day not a public holiday except Saturday, and on that day from ten o'clock in the forenoon until two o'clock in the afternoon, and that any person who desires to object to the entry of his name or that of any other person upon the said roll, or to the assessment of any property, or to the assessed value placed upon any property, must within thirty days from the date of this notice lodge his complaint in writing with the Secretary-Treasurer of the Town of Didsbury.

Dated at Didsbury this 17th day of May, 1947.

F.L. EVANS, Secretary-Treasurer.

NOTICE

All membership fees for the Didsbury Golf Club must be paid by June 1st.

GEORGE LAW, Secretary.

IN MEMORIAM

LAMONT—In loving memory of Tommie, who died May 22, 1941. Don killed in action May 23, 1944 and Neil, who died August 17, 1932.

—Ever remembered and sadly missed by—

Dad, Mom, Sister, Brothers.

FOR SALE—Large wooden crib with mattress, \$10; White enamel high chair, \$3; Coleman gas iron, \$5. All in excellent condition. Mrs. Reid Clarke, phone R310.

UNIVERSITY OF ALBERTA PLANS FEEDERS' DAY

The 26th annual Feeders' Day sponsored by the Department of Animal Science of the University of Alberta will be held at the livestock station, University Farm, on Saturday, June 7.

Several feeding trials have been in progress during the past year dealing with current problems related to livestock production. The report on these experiments will be the basis for an interesting and profitable program that should have an appeal to all livestock producers.

W.F. Mallett, farmer of the Queenstown district, recently sold a 400 pound calf for \$40. He recalls that in 1933 he sold a 340 pound calf for \$3.40—a cent a pound. He would have framed the \$3.40 cheque but he needed the money.

**WEED KILLER
EXTRAORDINARY**

The gradual encroachment of weeds on the farms of Western Canada has been causing considerable alarm for some time past. The herbicide known as 2-4-D promises to be an effective weapon in combating the weed menace, which it is claimed has caused an annual loss of \$100 million in Western Canada. Dr. T. K. Pavlychenko, head of the plant ecology laboratory of the University of Saskatchewan, claims the discovery of 2-4-D as a weed killer compares in importance with the discovery of electricity. Care must be taken when using 2-4-D and the directions followed exactly. This war-born chemical holds the greatest promise for the elimination of weeds of anything yet discovered.

U.K. POULTRY CONTRACT

Total purchases of poultry up to April 1, 1947, under the British 1946-47 contract were 7,932,421 pounds, of which 6,657,302 pounds have been shipped, made up of 37 per cent fowl and 63 per cent chicken. Purchases will continue under this contract until the quantity stipulated namely 12,500,000 pounds, is filled, says the Current Review of Agricultural Conditions in Canada.

**UNITED KINGDOM SHIPYARDS
MAINTAIN WORLD LEAD**

Shipyards in Great Britain and Ireland are now building more than 2,000,000 tons of merchant vessels according to Lloyd's Register of Shipping. This figure, the highest reached since March, 1922, is equivalent to 54.3% of the world total (excluding Danzig, Germany, Japan, Poland, Russia). Of Britain's leading competitors, U. S. A. has dropped to third place with approximately 215,000 tons, Sweden and France leading foreign yards with approximately 244,000 and 233,000 tons respectively.

CANNING SUGAR

The first canning sugar coupons for 1947 become valid during the month of May. The canning sugar quota for the year is the same as in 1946, ten pounds per person, the first five becoming valid May 15th. These are coupons "Y" 1 to "Y" 5, inclusive. This is in addition to the eight pounds of sugar allowed per quarter for general consumer consumption.

CANADA'S POPULATION

Canada's population reached 12,307,000 in 1946 according to an estimate made by the federal bureau of statistics. This is an increase of 188,000 over the 1945 figures. By provinces the increases since 1941 were:

Ontario	319,000
Quebec	289,000
British Columbia	185,000
Nova Scotia	34,000
New Brunswick	23,000
Alberta	4,000
Northwest Territories	4,000
Yukon	3,000

Provinces showing a loss in population:

Saskatchewan	66,000
Manitoba	3,000
Prince Edward Island	1,000

HOW TO SEED BARLEY

Anxious that contestants avoid last year's mistakes, the general council of the \$25,000 National Barley Contest, sponsored by the brewing and malting industries of Canada, has called attention of prospective entrants to "Hints on Growing Malting Barley", printed in the booklet of regulations. In summary they are:

Use Pure Seed—of recommended varieties. Plant a seed plant on every farm. Registered and certified seed are the purest obtainable and freest from weed seeds, diseases and other grains.

Treat Seed—using Corasan or other equally effective mercuric dust.

Sow Shallow—Sowing no deeper than necessary to get seed into moist soil.

Sow Early—But if the land is weedy, one crop of weeds should be destroyed before seeding barley.

Rate of Seeding—Seeding about 1 1/2 bushels per acre gives the best sample for malting in the areas most suitable to this crop.

Research on Weed Control
It has been reliably estimated that the direct monetary loss from weeds in Canada is not less than \$200,000,000 a year. And this is not all. Year after year weeds continue to rob this country of the very soil resources which it is our responsibility and desire to protect and conserve.

Weed Research. The results of controlled experiments and the records of practical experience in this country leave no doubt that, as a source of loss to farmers, weeds rank in importance with plant diseases and insect pests. Yet what do we find? We have laid up large and efficient organizations in Canada to deal with problems relating to the ravages of plant diseases and insect pests, while, with few exceptions, we still consider weeds the incidental responsibility of a handful of botanists, agronomists, and other agricultural scientists. This is not good enough. Our weed problems are enormous and many of them can only be solved by a well-organized and properly directed program of research. In no field of agricultural research is there today a greater need for an organized national effort than in weed control. Weed control is, in fact, a national problem calling for national effort.

Research Assistance. Realizing the great need in Western Canada for more research on weeds and their control, the Line Elevator Companies sponsoring this Department recently made available to the Division of Plant Science, University of Manitoba, the sum of \$100,000 for weed research. This grant will be used in 1947 to investigate certain special problems in the field of selective chemical weed control. We are convinced that the results of research on weed control will bring immense financial benefits to the farmers of Western Canada, and through them, to the whole community.

ROAD WORK

Following is a resume of the road work now being done by the Department of Public Works in Alberta:

Highway No. 1—Brooks, North of Duchess—Grading crew at work. Traffic accommodated through work.

Highway No. 1—Calgary, West of Cochrane—Grading crews at work. Traffic using existing main highway. Short detour at Cochrane Hill and inside City of Calgary.

Highway No. 2—Calgary to Crossfield—Crews preparing base for Asphaltic surface. Traffic accommodated through work.

Highway No. 2—Didsbury, North of Olds—Crews preparing base for Asphaltic surface. Traffic accommodated through work. Flagmen provided.

Highway No. 2—Morinville to Clyde Corner—Grading crew at

work. Traffic being accommodated through work.

Highway No. 3—Taber to Burdett—Grading crew at work. Traffic accommodated through work.

Highway No. 3—Taber, West—Surfacing crew preparing Sub-grade. Traffic accommodated through work.

Highway No. 4—Lethbridge to Coutts—Grade being raised near New Dayton. Traffic accommodated through work.

Highway No. 9—Beiseker, East and Jet. No. 9, Carbon—Grading crew at work. Traffic maintained through work. Expected to complete this on May 8.

Highway No. 12—Alix to Stettler—Grading crew at work. Traffic accommodated through work.

Highway No. 16—Seba Beach Corner, East—Grading crew at work. Traffic accommodated through work.

**GROW MORE
BARLEY**

**FARMERS! There is a FLOOR PRICE ON
BARLEY OF 90 CENTS, basis No. 1 Feed,
delivered FORT WILLIAM — FORT
ARTHUR or VANCOUVER for all barley
sold between August 1, 1947 and July
31, 1948. The price may be higher but it
cannot go lower.**

Canada is short of barley as feed for live stock. More barley is necessary for the maintenance of Canadian live stock and the production of urgently needed live stock products. Farmers can grow barley this year with the assurance that all barley sold until July 31, 1948 will bring not less than 90 cents a bushel, basis No. 1 Feed, at Fort William—Fort Arthur or Vancouver.

MOST SERIOUS CRISIS IN BRITAIN

By H.G.L. Strange

Britain faces the most serious crisis she has ever experienced in her history. She is faced with two grave difficulties. The first is to secure sufficient food of nutritive quality for her people—bread, eggs, butter, milk, cheese, meats and fruit juices that supply physical and mental energy, and enable a good day's work to be done.

Britain's other difficulty is to import, mainly from the United States and Canada, machinery for her factories to replace that which was destroyed or damaged during the war. The present loans from Canada and the United States are nothing like sufficient for these purposes.

I was shocked at the appearance of the British people. They are obviously suffering from mass-malnutrition. They walk on their heels, their faces are grey and lined, they appear to be from 5 to 10 years older than their age. They are as tired in the morning as when they go to bed. They are incapable of a real day's work. Better food, then, and more of it, is Britain's very first requirement.

Can Canada do anything to help? For myself I think she can, and ought to do something because Britain is Canada's greatest single market for wheat, bacon and many other products.

TOOTH REMOVAL

Pointing out that modern dental science can make satisfactory replacements of teeth, Canadian health authorities urge those with defective teeth to have them removed.

Sometimes, they point out, it's better to have nothing if not the best, and no teeth at all is preferable to decayed molars, which may be spreading infection throughout the body.

HOME CANNING SUGAR COUPONS VALID MAY 15th.

The 1947 home canning sugar allotment to Canadian consumers will be ten pounds per person and will be procured through the use of the "Y" coupons in Ration Book 6. On May 15, 1947, the first canning sugar coupons "Y" 1 to "Y" 5 inclusive will be declared valid, the remaining five canning sugar coupons "Y" 6 to "Y" 10 inclusive will become valid July 17, 1947. Each coupon valid for one pound of sugar or for the usual value of preserves.

Tourists staying in Canada for seven days or more will be entitled to the allotment of regular rations upon application to the nearest Local Ration Board. In this way tourists will receive the regular requirements but will not be granted coupons for home canning sugar.

Members of the Armed Forces on subsistence who wish to obtain sugar for home canning purposes may do so by applying to their ship's office or orderly room where they will be provided with the necessary coupons between May 15 and October 31, 1947.

BOTTLE MOUSE TRAP

A devastating plague of mice in the Maltese district of Victoria, Australia, has resuscitated an old idea of a mouse trap. With an Australian angle to it. A piece of cheese for bait is plugged in to the mouth of a beer bottle which is fixed horizontally above a kerosene can filled with water. Leading to the trap is a board, up which the mouse climbs and runs along the bottle towards the cheese, but slips on the beveled neck of the bottle. The mouse falls into the water and is drowned. One farmer, says the Australian News, claims to have caught 2,400 mice in this way within 12 hours.

EVEN GROWTH OF VEGETABLES

(Experimental Farms News)

Uneven stands of vegetables are not an uncommon sight in prairie gardens. This is invariably caused by dry or spotty soil moisture at the time of seeding. Surface soil dries quickly in the spring under prairie conditions to a shallow depth where most garden seeds are planted. Scattered plants appear after an effective rain, if it comes, some weeks later delayed germination takes place, says G. D. Matthews, Superintendent, Dominion Experimental Station, Scott, Sask.

Some prairie gardeners overcome this difficulty by covering the vegetable area with straw manure and then burning it off just before seeding. This leaves a moist surface with possible other advantages and results in even growth of plants. There are some objections to scattering of weed seeds by this method and the wide use of combines has eliminated straw piles in many districts. An alternate procedure to promote better stands of vegetables is desired for the home garden and also for experimental work.

A common procedure in the farm garden is to open a shallow furrow with a hoe along a line where string or binder twine has been stretched. Before the seed is sown and covered there is further drying and uneven germination takes place even with the earlier sown stable vegetables. For beans and vicia crops sown the latter part of May to avoid frost, surface soil is frequently in a drier condition than early spring.

After the seed furrow is opened a sprinkling with a watering can before sowing and covering with soil promotes even germination. At the Experimental Station at Scott, the hand reeder with the handles held high enough is used to open a furrow. This seed furrow is then

sprinkled with a watering can. The seeder is then used for sowing, covering and packing the moist seed resulting in even stands.

CATTLE HIDE SHORTAGE TO BE RELIEVED BY IMPORT

To relieve a temporary shortage of domestic hides, the Prices Board has announced that arrangements have been completed for Canadian tanners to import approximately 70,000 cattle hides during May and June, most of them from the United States. These importations will be under government subsidy but because tanners will be required to collect a two per cent surcharge from footwear manufacturers and other users of leather on sales of cattle hide leather and remit it to the Commodity Prices Stabilization Corp., the net cost to the government should be negligible. Tanners who import hides under this arrangement will be subsidized to a level one cent above ceiling for domestic hides. This additional cost will be absorbed by the industry. All purchases under this new plan must have the prior approval of the Hides and Leather Administration.

Officials stated they expect the domestic shortage which has been brought on by a decline in cattle slaughtering will begin to ease in the late summer. But, in any event, they point out that the plans announced will enable a normal output from Canadian shoe and glove factories to be maintained.

WARM WEATHER TIPS

"Don't demand too much of your body. Take it easy. Don't eat too many heat-producing foods, and, your liquid intake should be increased, too." This is advice for Canadians at this season of the year.

Medical authorities point out that when warm weather is on the way, special steps should be taken to conserve health.

**Signs Mislead Search for E. B. Bottles**

Pranksters Responsible, Say Authorities.

Crude signs reading "Empties Was Here" which are mysteriously appearing in basement corners and wall closets of homes all over Alberta are hindering authorities in their search for E. B. Bottles. Pranksters are believed to be responsible.

Authorities at Deliveries Limited who are conducting the search for E. B. Bottles, alias "Empties" who escaped from work in the brewing industry, said that such tactics only tend to lull citizens into relaxing their lookout for the fugitive. They stated that "Empties" may return to hiding in basement corners and closets which have recently been cleaned, in the belief that a search of these areas will not be repeated.

The present difficulty in supplying bottled brewery products was cited as evidence that "Empties" must be brought to justice and put back on the job at once.

Deliveries Limited are offering a reward of 20 cents per dozen for the return of the fugitive. Should Bottles be captured in a rural district, freight agents have been authorized to take the culprit into custody and arrange transportation to the nearest Deliveries Limited depot, without charge to the person or persons apprehending the fugitive. Bottles may also be turned over directly to Deliveries Limited depots at Calgary, Edmonton, Camrose, Lethbridge, Medicine Hat, Drumheller, McLennan, Blairmore or Banff.

my Husband asked my choice

...and I said **CHEVROLET**

"Why was Chevrolet my choice? Because, like most women, when I shop my one idea is to get the most value for my money—and Chevrolet is the car that gives you just that. As far as beauty, comfort, and all-round quality are concerned, Chevrolet is way up there with the big cars. Yet when it comes to price—well, the price is so much lower it's hardly believable. And another thing I like—the upkeep cost won't strain our family budget! Yes, my choice was Chevrolet, and my husband says I couldn't have chosen better."

But a value in small details, too! Most Chevrolet models have retractable assist straps, ventilated rear-quarter windows, ash receptacles in the top of the instrument panel, and either one or two in the rear passenger compartment.

-: DISTRICT NEWS -:

BURNSIDE NEWS NOTES

Mrs. Brandon Sr. visited with her son, John, and family at Langton before returning to her home at White Rock, B.C.

Don't forget the Lone Pine W.I. dance to be held in the Lone Pine Hall on Friday, May 23.

Brian Page, RCAF, Edmonton, has been transferred to Churchill and left from Winnipeg by plane for the north country.

Mrs. Bob McCulloch spent Saturday with Mrs. Ivor Weber.

Geo. Campbell, who has been a patient in the Didsbury hospital, has been removed to Calgary General hospital.

Mrs. Jack Underhay spent Friday afternoon with Mrs. Marlon.

The Burnside district extends sympathy to Mr. Jack Boulton on the passing of his father, John Thomas Boulton, in Calgary, May 10th, at the age of 86 years.

Mr. Boulton was a resident of the Burnside district for many years, coming here in 1917. Mrs. Boulton predeceased him about six months ago, and surviving are three daughters, Mrs. G. Stinson of Ranchville, Alta.; Mrs. D. Mandeville of Skiff, Alta.; and Mrs. A. Seamen of Lethbridge. Two sons, Fred of Elora, Ont., and Jack of Calgary. 19 grandchildren and six great-grandchildren. Mrs. Bob McCulloch is one of the grandchildren.

NOTES FROM THE WEST

Mr. and Mrs. Vic Snydermiller were dinner guests with Mr. and Mrs. M. Campbell Jr. on Sunday.

The Elktion baseball team played the Didsbury nine at the local diamond on Sunday with the latter team being the winners. Elktion was ahead up to the last inning.

Mr. and Mrs. Campbell Sr. and Mr. and Mrs. A.L. Hogg spent Sunday with Mr. and Mrs. E.W. Lowrie in the Inverness district.

Mr. Fred Batten of Calgary spent the week end at his home here.

WESTCOTT NEWS NOTES

Congratulations to Mr. and Mrs. Bert Smith on the arrival of a baby son.

The Girl Guides, under the supervision of Miss Mary Robertson, went on a picnic back to the Red Deer on Sunday and from all the comments the girls really enjoyed themselves.

Mr. John Jacobsen, who is employed at Sundre, spent Sunday with his family here.

Mr. and Mrs. Donald Artman and family of Sundre were also visiting with relatives here on Sunday.

"Bob Hughes" Cub pack held another of their meetings at the school last Friday night.

Mrs. Linden Jacobsen was a Calgary visitor Monday last.

ZELLA NEWS ITEMS

We are pleased to report that Mr. E. Cogswell is up and around again after his bout with the flu.

The flu is prevalent throughout the district and both Mr. Christensen and Harold Braun have been quite ill with it.

Some of the pupils of Zella went to Oils last Friday to take part in the festival held there.

Last Wednesday Zella school was defeated by Rugby school in a game of softball and on Thursday again met defeat at the hands of the Harman team. However, they say practise makes perfect and we are hoping for a win sometime soon.

Little Raymond Rindal returned home from the hospital last Thursday.

VARIATION IN TEMPERATURE KILLS WINTER WHEAT

Commenting on the extensive winter killing of winter wheat crops in southern Alberta, the Dominion Experimental Station at Lethbridge says that wide variations of temperature during last winter were the main cause. The station points out there is always the risk of partially or totally losing the winter wheat crop. That chance must be taken, but can be minimized by seeding the hardiest varieties. Kharkov and Yogo are the hardiest varieties available.

Mild pain killers such as aspirin were the biggest single items of medicine produced in the United States last year.

MELVIN NEWS ITEMS

Mrs. Albert Krebs and baby son, Kelly Clare, came home from the hospital on Sunday.

Mr. Fred Sanderman of Three Hills is spending a few days at the home of his niece, Mrs. Lester Krebs. Fred had the misfortune to break his toe last week and his foot is still in a cast.

Elmer Cowitz of Calgary was a week end visitor at the Cowitz home.

We regret to hear that Mr. P. Johnston has been very ill the past week and wish him a speedy recovery. His daughter, Mrs. Ada Vetter of Three Hills, came out for the week end.

An Adult Preparatory Piano book was put in the wrong car by mistake last Saturday night. Finder please phone R404.

The first league baseball game of the season was played on the home grounds Sunday afternoon against the Cremona boys. Things looked rather grim for the Melvin boys who were down 6-3 till the last half of the ninth. With two out, they brought in the winning runs and took the game 7-6.

Wednesday evening at 6:30, Melvin will play at Carstairs, and the following Wednesday, May 28, at Crossfield.

There are nine teams entered in the Rosebud baseball league this year, and for convenience the league has been divided into two groups, the winners to play off at the end of the season. Melvin, Carstairs, Crossfield, Cremona and Olds are in this division.

The Westcott W.I. met Thursday afternoon at the Johnston home. Rev. D. Whyte Smith began the series of talks on India and Mrs. P. Hoesgood will continue the topic next month. The next meeting will be held at the home of Mrs. Ross Youngs.

Miss Olga Dupont spent last week with her sister, Mrs. Jack Richardson of Olds. Jack is recuperating from an emergency appendix operation.

For best results in storing butter a temperature not higher than ten degrees Fahrenheit is desirable.

LOCAL NEWS

—The Ladies Auxiliary to the Canadian Legion will hold a tea and food sale at home of Mrs. Roger Barrett from 3 to 6 p.m., on Saturday, May 31. 3c

—Don't forget the dance at Rugby Hall on Friday, May 23rd. 5-piece orchestra. Booth will again be in operation for benefit of hall patrons. Regular admission. 2c

An interesting program has been arranged by the Young People of No. 1 group, to be given on Sunday, May 25th, at 7:45 p.m. at the M. B.C. Church in Didsbury. Their topic for the evening is "The Christian's Challenge." You are cordially invited to attend.

Mrs. C.J. Hallman left last Wednesday evening for Goshen, Indiana, to attend the annual meeting of the M.B.C. Church Women's Missionary Society. She plans to return home via Sault St. Marie, and South Dakota.

—I wish to announce that once more Animal Builder is available and is now in stock. Harold E. Oke, phone 10, Didsbury. 2c

Clarence Wall of Jenkins' Groceries staff at Hanna has been transferred to the Nanton store, and was a visitor in Didsbury Monday on his way south.

Mrs. Ed Ford has been in Calgary hospital this week taking treatment on her leg for an old injury, received a number of years ago while curling, which has again broken out.

—The Lone Pine Women's Institute will sponsor a dance in the Lone Pine Hall on Friday, May 23.

Saturday, May 24th, being a Dominion holiday, the Baby Clinic at the Rosebud Health Unit has been cancelled.

The Library, which is usually open from 7 p.m. to 9 p.m. on Saturdays, will be closed Saturday evening, May 24th.

—White Rose Service now has a licensed welder and can weld almost everything, including pot metal and aluminum.

NOTICE TO CREDITORS AND CLAIMANTS

IN THE MATTER of the Estate of ALBERT FRANK COWITZ, late of Didsbury, in the Province of Alberta, Farmer, Deceased.

NOTICE IS HEREBY GIVEN that all persons having claims upon the estate of the above named Albert Frank Cowitz, who died on the 17th February, 1947, are required to file with the undersigned solicitor for the executors of his estate, by the 10th day of July, A.D. 1947, a full statement, duly verified, of their claims and of any securities held by them, and that after that date, the executors will distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed, or which have been brought to their knowledge.

DATED this 19th day of May, A.D. 1947.

W. A. AUSTIN,
Didsbury, Alberta,

—K. Roy McLean, optometrist, will make his next visit to Didsbury, at the Rosebud Hotel, on Monday, June 2, morning only. Consult in city office, 1015, Southam Bldg., Calgary, daily except Monday.

Sunday visitors at the home of Mr. and Mrs. Garnet Tighe were Mr. and Mrs. Clarence Green and Mr. and Mrs. Jack Green of Calgary, and Mr. and Mrs. F. Leowen and family of Sunnyslope.

Mr. and Mrs. F.L. Williams of Calgary were Didsbury visitors on Friday with their daughter, Mrs. George Law, and Mr. Law and family. Mr. Williams is a former Didsbury resident, having operated grocery and dry goods stores here from 1914 to 1919. He says that the first catalogue he issued was printed at "The Pioneer" office and the first edition was 10,000 copies, keeping the printers busy night and day for a couple of months.
